The WI plays a unique role in providing women with educational opportunities, the chance to build new skills, to take part in a wide variety of activities and to campaign on issues that matter to them and their communities. The WI is open to all women and is a great opportunity to make friends for life.

Standon and Cotes Heath WI has been running for over 100 years-so we must be doing something right!

Why not come and join our friendly group of ladies, you can have up to 3 ‘taster’ meetings before deciding if you would like to join.
